Module 5: Activity 4

Self-assessment

In the spirit of learner self-assessment – one of the primary goals of LinguaFolio – please take a few minutes to reflect on what you've learned in this training module. Once you have answered the questions below, you have successfully completed the training for Module 5. If you have difficulty with any part, you can go back to that particular section of this module and review the main points.

Please write a response to the following questions:

1. What is interculturality?

2.   What is the difference between culture and interculturality?

3.   What is the role of interculturality in language learning?

4.   How can you help learners develop interculturality? Give two examples in the classroom and two examples outside the classroom.
